Dear Mr Robinson,

This little gift I am afraid is rather late for the purpose you wished it. I mislaid the post office order. However I hope that it will come in useful for something. I wish it were for a larger amount.

Wishing you every success in your work.

Yours sincerely

Mrs H. Moore.

Dear Mr. Robinson:-

I was much pleased with your letter which I received to-day as were also two of the professors to whom I had opportunity to show it. I am leaving for Davidson College just now in North Carolina & am writing this in the absence of my secretary who has gone home for the night. Just as soon as I return I will make arrangements for you to come & speak to us. If you are able to get away on a Sabbath we can have you preach in one of our churches, probably the Second. If you cannot be away readily on a Sabbath you can speak to our students. We will, of course, take care of the expense.

Thank you again for your good letter.

I am cordially yours,

J. M. Vander Meulen.
